For State and University Employees Working Outside
Dane and Milwaukee Counties
give online at www.seccstatewide.wi.gov

The CHOICE is yours . . .

The Statewide SECC is the State and University Employees Combined Campaign for state and university employees working outside Dane and Milwaukee counties. SECC raises money to support a wide range of charities doing important work, protecting our natural resources, providing health services and research, defending civil and human rights, and preventing violence.

An eligibility committee consisting of state and university employees, with final approval by the Secretary of the Department of Administration, has approved all of the federations and charities included in this campaign.

As the only annual, cooperative, on-the-job campaign authorized to run at your workplace, SECC offers you many choices.

You decide:

- **How you want to give** – choose payroll contribution, cash or check.
- **Where your dollars go** – when you designate your gift to specific charities, only the charities you choose will receive money from you. Pick from more than 400 state, national and international charities.

You are:

- **Part of something big** – SECC is Wisconsin's largest voluntary fundraising campaign.
- **Making Wisconsin a better place to live and work.**

Join the thousands of state and university employees who will contribute over \$3 million to charities again this year.

THIS year . . .
